OPEN MEETING:

Aaron Rourke and Don Mills led a very informative presentation on the current status of the trail and trail projects that are planned this year. It was obvious that just because it has been a bad winter the work hasn't stopped. We have a very dedicated group of Volunteers.

BOARD MEETING:

Membership Steve Murphy

The board discussed ways of increasing our membership. Bruce suggested that we mail our newsletter at least once a year. Maxine has agreed to take on membership and form a membership committee. Automatic renewals were discussed.

Trail closing:

We are expecting an announcement soon for the trail closing between Fosters and Grandin Road due to the planned clean-up of the grounds around the powder plant. It is expected to be for a week in late March. We will put out announcement as soon as we receive the dates.

Annual Picnic:

The date for picnic has been set for 6/14/15, location to be Hisey Park.

Old Business:

Signage: We are still waiting for feed-back from trail users input on the color to use on the safety signs.
